

Kings Hill & District u3a

SAFEGUARDING POLICY AND PROCEDURES

Policy Statement

Kings Hill & District u3a recognises that some people are potentially at risk of abuse and neglect. Abuse and neglect can take place in a person's own home, in the home of a carer, family member or friend, and within any form of institution e.g., hospitals, residential care or nursing home.

Where abuse or neglect is suspected Kings Hill & District u3a will aim to respond to the situation in a way which is caring, and enabling. Kings Hill & District u3a also recognises that abuse and neglect can be perpetrated by volunteers, other users of services, relatives, friends and neighbours. Kings Hill & District u3a acknowledges that the reasons for abuse and neglect occurring may not be fully understood and vary with each incident, often dependant on risk factors

Kings Hill & District u3a will neither condone nor tolerate any form of abuse or neglect and believes that all people should be able and, where necessary, enabled to live in an environment which is safe.

In all situations, Kings Hill & District u3a believes that everyone is entitled to:

- privacy
- be treated with dignity and respect
- lead an independent life and to be enabled to do so
- choose how they live their lives
- the protection of the law
- have their human and civil rights upheld regardless of ethnic origin, gender, sexuality,

impairment or disability, age, religious or cultural background.

It is not the responsibility of Kings Hill & District u3a to take the lead role in any Enquiry under Section 42 of the Care Act 2014. That is a matter for decision by Kent County Council.

Kings Hill & District u3a will monitor the implementation of this policy and procedure annually through its Executive Committee.

Procedure

1. Kings Hill & District u3a recognises that it has a responsibility to ensure that its committee and group conveners understand this policy.
2. Kings Hill & District u3a will support the alleged victims and the alleged perpetrators of any abuse, as well as any volunteer who becomes aware of the abuse, in so far as this does not compromise any Safeguarding Enquiry or investigation into the allegation or place other adults at risk.
3. While Kings Hill & District u3a will make every effort to respect the confidentiality of any information that is disclosed under this Policy and Procedure, this cannot be guaranteed.

Information will be recorded and stored securely in accordance with GDPR 2018 but confidentiality is not absolute and information may have to be shared, on a 'need-to-know' basis only, to prevent:

- Danger to a person's life
- Danger to a person's health
- Danger to others
- Danger to the community or to prevent or to facilitate the investigation of a serious crime.

Courses of Action

- If a committee member or group convener becomes aware of possible or actual abuse or neglect, they should ensure that the safety of the adult at risk is secured as a first priority and advise Kings Hill & District u3a Executive Committee. When a crime may have been committed, the Police must be contacted as soon as possible.
- Details of alleged abuse should be recorded on form SAP1 (see Appendix 1). The Executive Committee should satisfy themselves that the adult at risk is safe and that the alleged perpetrator, if known, does not pose a threat to any other person.
- The Executive Committee will decide whether or not to refer possible or actual abuse to the Local Authority and/or the Police. If the decision is made to not refer, the reasons must be recorded on form SAP1. Guidance can be provided by the Advice and Volunteer Manager at National Office
- As far as possible, the adult at risk's wishes will be respected as to whether or not to refer any concerns to the Local Authority as a Safeguarding Enquiry under Section 42 of the Care Act 2014. However, it may be necessary to override these in the best interests of other adults at risk.
- Completed SAP1s will be held in a designated file for a minimum of 2 years from the date of the last completed SAP1 on the adult at risk.
- Confidentiality will be adhered to; therefore, the contents of the form will not be provided to any third parties.
- Additional information is given in Appendixes 3 - 5

Appendix 3

If someone discloses abuse to you:

Do:

- Stay calm and try not to show shock or disbelief
- Listen carefully to what they are saying
- Be sympathetic (*"I'm sorry that this has happened to you"*)
- Be aware of the possibility that medical evidence might be needed
- Tell the person that:
 - They did the right thing to tell you
 - You are treating the information seriously. It was not their fault
 - You are going to inform the appropriate person
 - You/ will take steps to protect and support them
- Record and report the disclosure in line with the Procedure

Do Not:

- Press the person for more details; this will be done at a later date
- Stop someone who is freely recalling significant events (Don't say *"Hold on, we'll come back to that later"*; they may not tell you or anybody else again)
- Do not promise to keep secrets; you cannot keep this kind of information to yourself
- Make promises you cannot keep (Such as, *"This will never happen to you again"*)
- Contact the alleged abuser
- Be judgemental
- Pass on the information other than to those with a legitimate 'need-to-know' under this Policy and Procedure

In your record of the disclosure:

You should aim to:

- Note what people actually said, using their own words and phrases
- Describe the circumstances in which the disclosure came about
- Note the setting and anyone else who was there at the time of the abuse or the disclosure
- Separate factual information from your own and others' opinions
- Use pen or biro with black ink so that the report can be photocopied if needed

And be aware that your report may be required later as part of a legal action or disciplinary procedure.
